## The Mason LINE

by Chan Mason

We were happy to see such a long list of L. G. youngsters who graduated from Helix this year and won scholarships to various colleges. But will someone tell us what good a \$500 scholarship is to a youngster who comes from a family of ordinary economic circumstances? With all our foreign loans, 90% of which are never repaid, it does seem that a government loan to deserving students to further their education would be more sensible.

Nice bit of gerrymandering in the L. G.-S. D. annexation proposal. The city would take what it wants and leave all the problems to the poor boob who are left.

NOTE TO FRIEND DIXON: Listen, "Knobhole," what's it worth to you for this columnist to keep quiet as to your true identity? Before you answer we might say that Bill Rife is gunning for you. Says you slandered him by referring to a recent picture of him in the Review as one which must have been taken in High School.

We must compliment the State Highway Commission for their quick response to a letter from our Fire Commission complaining about the rubbish and debris left after the State moved those houses on the Freeway property. They have authorized the Fire Dept. to pile and burn the junk at the State's expense.

We must say, however, that we are not in agreement with their proposal to eliminate the underpass formerly planned for the American Homes District. The access road now planned for the North side of the Freeway will naturally channel all traffic into La Mesa at the expense of the local neighborhood business along the North end of Broadway.

The rumor persists that a syndicate composed of several prominent S. D. business men will develop the hills to our North into a second Mount Helix—another reason for local vigilance to see that our business area not be cut off by the Freeway.

We have long had an aversion to all sister teams on TV and radio. Now we include all brother teams. We are mad at the Fun twins who gathered all that publicity over having refused food for about three weeks and losing 25 lbs. apiece. Heck, we took on an evil formula concocted by the Bros. Mayo and we've lost 19 lbs. in two weeks. No one even noticed it! O. K. Dixon, we know what you're going to say.

## Broadway Center-Line Being Checked

The County Surveyor has men along Broadway this week making precise location markings on a proposed map of a straight centerline for Broadway, Joe Mack, County Road Superintendent, said this week.

The Lemon Grove Chamber Committee on Broadway Widening under Harry Griffen had asked for the study.

"Broadway has four separate and distinct widths," Mack pointed out. "We are presently comparing the State Highway established lines and picking up set-back distances on all present buildings to see if a formula can be developed that would give Lemon Grove a wide, straight thoroughfare."

It is presumed that the Chamber will eventually establish an Improvement District for Broadway and condemn and purchase property extending into the present set-back zone.

## NEW PRODUCTION BY HEARTLAND PLAYERS DIRECTOR

A new production by the director of the Heartland Players, Bud Coffin, was announced last week upon the birth of a his son, Mark Lowrie.

The youngster was born at 1:23 p.m. July 12 at Mercy-Hospitals. The family resides at 8330 Alton in Monterey Heights. Mary, the child's mother, is doing well.

Bud is associated with Rohr Aircraft, Mary is on leave of absence from Solar.

MRS. ELLIOTT FISHER, L. A., winning custody of dog "Rickey" and divorce—My husband kept complaining he could remember when I looked at him the way I now look at Rickey. That's just jealousy!

## Water Works Budget Increased \$12 Thousand as Tax Rate Drops

The tax rate for 1954 to 1955 will be \$1.10 per \$100 valuation. It was decided following adoption of the annual budget of the district Tuesday morning.

The total amount of the budget is \$1,531,240. This is a slight increase over previous year's budget which was \$1,519,233. The portion of the tax rate which is levied against land only is \$1.76,660.00.

The adoption of the budget came after the board had met every day for a week in special session to study the budget. As adopted, the budget represents a minimum required for operation and maintenance of the district. R. M. Levy, district president, said Levy said in connection with the budget, "This budget leaves much not allowed for in the way of improvements and expenditures. The board recognizes that there must be improvements made to provide better water service. However, we have reached the point where to attempt to make these necessary improvements out of current operating budget would create an expensive burden on the taxpayer."

The board feels that the proper method for providing for these needs which effect service in the entire district is through a bond issue. Such a budget and tax rate as that being adopted is practical only if the proper procedure is followed. The board is studying the district needs and expects to present such a plan for consideration of the voters in the near future."

Dr. Frank B. Gigliotti, Lemon Grove, president of the San Diego County Taxpayers association, attended the budget meetings, urging a "hold the line" policy on tax levies. Dr. Gigliotti congratulated the board Monday on their efforts, expressing the opinion that the board had done an "excellent job" in making it possible to reduce the tax rate during the coming year.

## \$500.00 FINE METED IN JUVENILE LIQUOR CASE

Kathryn Britt, clerk at the Brookside Liquor Store, 8291 Imperial Avenue, was fined \$500.00 in the Lemon Grove Justice Court Tuesday for selling intoxicants to minors.

Judge Luther Hussey suspended \$200.00 of the fine and placed the defendant on 12 months probation.

The case has also been referred to the liquor control board according to Sheriff Sergeant Willard Rigley.

## The Dimmer VIEW

by Max Goodwin

The time has come for me to renounce Joe Eaton, an old, old friend . . . and this I do irrevocably . . . makes a few changes in his operation.

Everybody hereabouts knows Joe. He's the former auto magnate of La Mesa and now owns and operates the La Mesa airport at Sweetwater Springs Blvd. and Jamacha Road.

I am chagrined with Joe for a simple and selfish reason. He refuses to change the name to the LEMON GROVE Airport. Judge Luther Hussey and I sat down with Joe one evening in the soft-drink section of Michael's and tried to educate him. We showed him by map how his airport was closer to Lemon Grove than it is to La Mesa and in view of the fact that Lemon Grove has no airport facilities, it seemed reasonable to us that he would permit this civic improvement. We even offered to house the Lemon Grove Aeronautics Authority Commission out there after Lemon Grove incorporates, but to no avail. This leads me to believe what I have long suspected. Joe is under the thumb of the Secret Boss of La Mesa. I don't rightly know who this is but I suspect Jim Hill, publisher of the La Mesa Scout, and a lieutenant, Jack Barnes. It must have been Hill who steered Joe against succumbing to our needs when we just about had Joe pinned down by additionally offering to name one of Michael's myriad new dining rooms in his honor. I think Jim is still nifted about the time when we publicized the dastardly plot by which he and former Mayor Miles Nagel would have annexed Lemon Grove to La Mesa. Maybe annexation is still in the cards, and that could be the reason why Joe is adamant. If Lemon Grove should become La

## New Look for Grove Theatre Stage

Yes, boys (up to age 79) and girls, this is a chorus line. A chorus line is a bunch of girls dancing? In precision? The chorus line is coming to Lemon Grove. The line will traipse across the stage of the

## Prizes to Be Given Weekly in Snapshot Contest

Lemon Grove shutterbugs will have an opportunity to win recognition and some weekly prizes in the Lemon Grove Camera Shop-Lemon Grove Review snapshot contest.

Every week three prizes will be awarded to the single contestant judged to have the best photograph.

Awards will be made on the basis of human interest as well as photographic artistry.

The prizes will be a basket dinner at Richie's Drive-In, 7309 Broadway, a swarzwald cake from the Swedish Bakery at Mayfair Market and two tickets to the new Grove Theatre.

Contestants must supply a print of the picture together with their negative to the Camera Shop at 7848 Broadway. The winner's name and the picture will appear in the Lemon Grove Review. It is not necessary for the print or negative to have been processed at the Camera Shop.

In case of a tie, duplicate prizes will be given, according to Bob Vaughn, owner of the Camera Shop. The swarzwald cake, reported Bert Brodwin, the bakery owner, is made of rich cake batter, hazel nuts, whipped cream, meringue and covered with chocolate.

The meal at Richie's Drive-in will be one of their famous baked burgers complete with shoestring potatoes.

Theater tickets will admit user at any of the performances including the musical comedies which are being offered the forepart of each week.

Contest is on now and any photographer may submit his entry.

## Michael's Anniversary Party to Hit Broadway Wednesday

If the Italian Wine Makers European Union No. 437 does not name Henry Goldy as the champagne pin-up boy after his second anniversary celebration of Michael's Cafe next week, they're missing out on a chance for one of the best wine promotions of the era.

Reason for this possible distinction is that free champagne will flow across the tables Wednesday in quantities that may foreshadow an Italian-Lemon Grove champagne pipeline.

In addition to free champagne which will start flowing at 6 p.m. Wednesday, July 28, the date on which Michael's officially opened two years ago, orchids will be pinned on the heaving bosom of every woman who attends the event.

As if that were not enough, a well known San Diego band will furnish music for dancers to trip the light fantastic until the wee hours. A long list of entertainment features will be run off concurrently.

Response to the announcement that the event was coming has been so spirited that available dining space is running out. Suggestion by the management is that reservations be made.

Henry and Estelle Goldy, who own and operate the restaurant, have had to expand dining space four times since coming to Lemon Grove. Starting with the cocktail lounge which alone has not increased in space, the dining rooms fan out at a right angle and double back toward the front of the establishment. In connection with the opening, another dining room will be unveiled. This room, the Coral, will have a separate Broadway entrance as it increases the original dining area of the Coral Room three times.

Negotiations are under way for additional space, Goldy said.

## Annexation Forum For Men's Club Friday

Members of the Lemon Grove Men's Club will conduct an open forum among its members on annexation-incorporation Friday, it was announced this week by Harry Griffen, chairman pro-tem.

An open discussion on the annexation matter was sidetracked by the membership last week when interest centered around the Irrigation District election.

Robert Gaudin, club member, asked individuals to bring their thinking out into the open. "We do not necessarily have to accept annexation because the city of San Diego proposes it," he pointed out. "Instead of attaching ourselves to the extreme edge of a city which is years behind in its needs for streets, sewers and public buildings, it may be better to consider developing our own community by our own timetable and at a cost set by local residents," he added.

Griffen said that Friday's meeting would start off on Gaudin's statement which was given at the close of the meeting.

## Phone Increase To Have Little Effect Here

The California Public Utilities Commission decision last week which gave increases for some Pacific Telephone and Telegraph Company services will not have a noticeable effect on subscribers in the Lemon Grove area reported Forrest Dokken, manager of the Lemon Grove-La Mesa district of the phone company.

The statewide increase of approximately \$11,000,000.00 is about one fifth the amount requested. About the only changes to be made locally would be the cost of "additional" listing in the phone book and a 5 to 10 cent increase in intra-state toll calls, Dokken pointed out.

Additional listings, over and above the one free one which goes to every subscriber, will be raised 10c to 35c, Dokken said. The cost to business firms will be raised to 75c from the present 50c charge.

"As far as I can ascertain, there will be no increase in the monthly subscribers charges," he stated.

The increase becomes effective August 1.

## 2 County Papers Merge to Cut Costs

Two county newspapers were merged last week in the South Bay area, partly "to combat the ever increasing costs of operation."

The papers are the National City News and the Chula Vista Star. They will, however, maintain their own identity and their own publishing equipment.

A new rotary press, capable of handling color, will be installed. A cancelling out of duplicated services will be the first step in the new merger, the publishers stated.

## Grove Brownies Give Robes to Navy Hospital

A big event in the lives of 40 Brownie Fly-ups occurred last Friday, July 16, when they found themselves and Electrician Technician Ken Rawert of the U. S. Navy Hospital, on T.V. and being blinded by numerous flash bulbs from the press, but they seemed to enjoy it. The cause of all this commotion was the presentation of lap robes made by the Brownie Fly-ups in their Day Camp sessions from scraps donated to them by several upholsterers, to Ken Rawert as representative of the Navy Hospital. The girls pictured above are left to right, Sherry Baker and Sharon Milligan. Ken Rawert seems all but smothered under the hand made robes. LENOX FOTO for the REVIEW

## Sutton Named Chairman of 2nd Success Drive

Robert E. Sutton, principal of San Miguel School, has been named chairman for the Lemon Grove phase of the Second United Success Drive of the San Diego Area Community Chest, it was announced today by Ralph Phillips, Associated Towns Chairman. As El Cajon chairman, Sutton will be responsible for recruiting chairmen for business, residential and specialized solicitation in the fall campaign on behalf of all Red Feather health and welfare services.

Several hundred volunteer campaigners will be needed in the community-wide effort, Sutton said. "We are all proud of our community, and as such, should take an active interest in community projects. Those who want to carry their fair share for the community do so by joining the Second United Success Drive now."

Residents may sign up by contacting Sutton or by calling headquarters at ACademy 3-7191, he said.

Planning for Lemon Grove's part of the area-wide campaign which last year went over the top for the first time in eight years, is already underway. Division chairmen for business, public employees, residential, pace setters and educational are expected to be signed up in the next two weeks.

Meanwhile, three separate committees, representing all parts of the area, are laying groundwork for setting the goal for the fall effort. Agency needs are being studied by a 42-man budget committee headed by VADM George C. Dyer, campaigners are estimating fund raising potentials, under leadership of a special committee headed by Carl Eissenoff; and a special committee of the Chest board is working on another estimate.

All three figures will be presented for public discussion at a meeting early in August in Balboa Park, when the actual goal will be determined.

## The Dixon LINE

By Friend Dixon

We have always looked upon our penal institutions as being largely educational projects yet only recently realized that in the field of learning the condemned criminal, in some states, can achieve a doctorate in the chair of applied electricity.

—DL— A recent release from the State Department of Employment stated that over 24 million dollars of unemployed insurance went to chiselers last year. This is a new low in something or other. We always thought that kind of thing was not for the proletariat but the prerogative of public officials in high office. These are competitive times.

—DL— Society note—We noticed one of the town's best dressed men giving a light to a matchless blonde.

—DL— We think this is an appropriate time to quote a couple of verses from Rudyard Kipling's Seven Seas—the introduction to Barrack Room Ballads. When 'Omer smote 'is bloom'ing lyre,

He'd 'eard men sing by land an' sea;

An' what he thought 'e might request

'E went an' took—the same as me!

They knew 'e stole; 'e knew they knowed,

They didn't tell, nor make a fuss,

But winked at 'Omer down the road.

As 'e winked back—the same as us!

—DL— Euclid up to date. Experience is the shortest distance between anticipation and regret.

—DL— Double Exposure—Chan Mason seeking admission to an order when he has been one for forty five years.

—DL— We are saving up to get a new Webster dictionary so we can discover what ANNEXATION is or where it is. A recent Review carried a column head that the Chamber of Commerce was to meet on ANNEXATION. You can get there probably by Greyhound Bus or the Economy Bus Line.

—DL— And while annexation of some pattern or other seems to be the prevailing epidemic, we learn that the San Diego City School System might absorb our Lemon Grove School District if we carry a proportion of its bonded indebtedness. Being slightly acquainted with Emily Post, I would recommend the compliment and ask them to accept a part of our bond commitments. We are already taxed to the limit. About all we can forecast in the proposed school district hook-up is that our administration staff will be absorbed in the San Diego system. Our local, Ben Quikote, none

Smile... "What a man is most anxious to get out of a new car is his teen-age kids."

Helix Can-Can Gals... (Third in a series of four). This week's choice for a brief interview of one of next year's songleaders is Miss Phyllis Ehlers. Phyllis is a veteran at performing the stately band majorette for the Helix Green and Grey, and has been for the last two years. Being junior class vice-president, working on "Fortune Teller," and being active in the Heathersettes were a few of the accomplishments. Her spare time is occupied teaching baton twirling.

Jump With James... was the cool motto used by all that picked up on Harry James when he blew in town a couple of Saturdays ago. He played from 8-1 on July 10th. Louie Bellson filled in for Buddy Rich on the tubs—Buddy was stuck in Australia. Some of the many familiar faces seen swaying or leaping to the music were: Allene Shallcross, Bob Turnbull, Beverly Deem, Edgar Stemen; Sharon Sedlacheck, Jim Terry; Lois Laehr, Jim Barrow; Loy Johnson, Ronnie Kraft; and a couple of Helix stags, Alan Oldfield and Don Sleat. A wild time was had by all.

Jazz at the Russ... will be in the making pretty soon like Irving Granz (Norman Granz's brother) and Don Howard (KSDO disc jockey) will present "Jazz a la Carte" this coming Tuesday night, July 27th, from 8:30 until the last note fades out near midnight. The site is the Russ auditorium at San Diego High School. The show features the Dave Brubeck quartet, Shorty Rogers and his Giants with Shelly Manne on the tubs, and the Chet Baker group. Man, you couldn't ask for anything better. You'll hear some of the world's finest modern piano tunes from Brubeck. You'll hear Rogers and his crew cut loose with some of their famous hits including "The Wild One." You'll see "Arms" Manne tear the skin off his drums and you'll thrill to the singing and trumpet playing of the latest rage, Chet Baker. You can't afford to miss this outstanding show put on by outstanding men. (Listen to the Don Howard show from 1 to 5:45 any week day on KSDO)

## Captain Galbraith Enroute Europe Aboard USS Missouri

ATLANTIC FLEET (FHTNC) — More than 13,000 midshipmen, officers and men are embarked in 19 ships enroute to Europe on the summer's first midshipmen cruise.

Aboard the battleship USS Missouri is Marine Capt. Thomas H. Galbraith, son of Captain and Mrs. William H. Galbraith of 7820 Montana Ave., Lemon Grove.

The eight-week cruise began June 7th. Under the supervision of crewmembers of the training ships, midshipmen "learn by doing" shipboard jobs in navigation, gunnery, seamanship, engineering and communications.

The ships will visit ports in Portugal, Spain, France, Belgium and the Netherlands before returning to the States.

PF Party... The PF group of the First Congregational Church recently had a cool beach party at La Jolla shores one fair Sunday afternoon and night. It was a sponsored affair that was highly successful. Mostly the Helix mob showed up sprinkled with a few outside dates and friends. They were: Dianne Helman, Bob Turnbull; Jean Lee, Fred Stemen; Beryl Scott, Bobby Haynes; Karen Dawson, Don Lewallen; Peggy Lester, Monty Dickinson; Also Kris Johnston, Kay Kish, Jerry and Robert Lindsley, Donna Vogler, Donna Lee, Judy Nelson, Tommy Simmons, Johnny Peoples, Carol Kreger, Bob Goetz and others.

Mercer's Blast... Nancy Mercer, a real sharp present-alumna of Grossmont, recently threw a cool one for Gene Ackert who came back from the forestry on a day off. The party, complete with music, dancing, pool splashing, eating and tearin' up in general, was held at Nancy's home in El Cajon last Tuesday. Some of the human mass seen having a wild time at her pad were: Bob Whitebread, Gene Ackert, Dave Leaverton, Nancy Mercer, Tina Alessio, Nicie Slaton, Allene Shallcross, Bob Turnbull, Bob & Bill Beasley, Harold Alexander, Buddy Davis, Ronnie Fix, Fred Stemen, Marvin Helm, Pat Maxey, Denny Vopat, Jan Churchill, Bill Ford, Joe Kucala, Chole Barkdull, Jerry Parli, Bob Baker, Cynthia Cook, Monty Rose, Dianne Tweed, Margerie Robinson, Dave Bowers, Armand Alcar, Bill Jones, Eddie Bortz, Sheila Patterson, Don Leggett, Diane Ely, Margie Quicker, Bob Bowers, Noel Smith and others that came and went so fast that my party minded brain couldn't remember them. The party went down in history as far as the neighbors were concerned—it was cool.

## Mardi Gras Prizes Supplied By Local Market

One of the more popular attractions at the North Island Naval Air Station Mardi Gras was the booth co-sponsored by Mayfair Markets, according to Larry Childress, market manager. The proceeds from the Mardi Gras goes to the Children's Xmas Fund and the Mayfair contribution included all gifts for the dart game booth.

## 'Platter Parade'

By BOB TURNBULL

Ratner Recommends... "Hey There" and "This Ole House" by Rosemary Clooney (Columbia). Also "Mister Sandman" and "They Were Doin' the Mambo" by Vaughn Monroe on the RCA banner are the two records that are recommended this week for all those who are looking for top tunes.

In The Groove... Around and around, around goes the record and out comes the sound. And into the, into the, into the ear goes the sound, goes the sound, goes the sound. And we never, we never, we never, with luck, know its going around till the needle is stuck.

Spanking... Although Columbia Records is a subsidiary of Columbia Broadcasting System, this doesn't stop the network from dishing out the discipline when its offspring becomes obstreperous. The hairbrush was most recently applied when the CBS network notified its affiliates not to play Art Carney's "The Song of the Sewer." Wonder if the edict began with "This hurts me more than it does you."

Long-Playing... Here is a LP record that you can purchase at Ratner's to give your son or daughter for their birthday (providing they like modern jazz). "Interpretations" by the Stan Getz quintet. It's a Hi-Fi recording (Norman records) supervised by Norman Granz. The songs are "Love and the Weather," "Spring is Here," "Pot Luck," "Willow Weep for Me," "Crazy Rhythm" and "The Nearness of You." The record sells for only \$4.85.

## LETTERS TO THE EDITOR

Dear Sir:

Just a note to thank you for the fine coverage you have given to our church events this past year. I know that I speak for our people when I say that we are grateful for all the space we have been given. A new church counts especially on the local paper to bring itself before the people, and you have helped a great deal. We hope this fine relationship will continue through the years to come.

The 574th is a part of the 63rd Infantry Division, Army Reserve, which has its headquarters in Los Angeles. Upon return from training, the 574th will undertake an extensive recruiting drive. The local unit, which meets four times monthly at Ft. Rosecrans, has

many openings for rated enlisted men as well as young men who have not had any military training.

Lt. Colonel Ferdinand Reed, Commanding Officer of the 574th, hopes enough interest will be shown in this area so that a firing battery made up entirely of Lemon Grove residents may be organized.

ing, nearest approach yet to the sound purist's dream of absolute realism and perfection in recorded music.

The announcement was made by Fred Rabell, who with Dorothy Rabell, are owners of KSON, and KSON-FM, who said "The new high fidelity receivers on the market today make it possible for music to be received from KSON-FM with far greater beauty and fidelity than is possible from any AM broadcasting station."

"For the technically minded," he continued, "our engineers tell us that the station now covers a frequency range from 50 cycles to 15,000 cycles per second, which is more than enough to reproduce every frequency put on any high fidelity recording yet manufactured. The station is also equipped with facilities to broadcast high fidelity tapes."

Explaining what this means to listeners, Dorothy Rabell, the station's manager, said that it will provide them with much more enjoyment than they have ever had

from radio music before.

The KSON recording library, often classified as one of the West's best collections of fine recorded music, has been completely modernized as part of the program. "The library has contained more than 50,000 titles, but in order to keep up with the latest developments in recorded sound we have made nearly 50 percent replacement of old records with high fidelity recordings. We will, of course, retain a percentage of our old recordings that fall in the "irreplaceable" class. These include numerous foreign records that cannot be replaced with equivalent high fidelity recordings at this time," she said.

Toothy, TV wonder boy, Libe-race, who will gross \$6 million this year, tossed a concert in New York last fortnight which yielded him \$55,000. 12,000 women attended the Madison Square Garden musicale which broke a record set by another Polish pianist, Paderewski.—FORTNIGHT.

# Your Next MAYFAIR Meal Can Be With Prize Winning Meat

Here is part of the story of better meats at Mayfair. Purchasers such as Mayfair, encourage 4H and Future Farmers clubs by entering into spirited bidding for champion animals.

In the adjacent pictures are some of the champion animals purchased by Mayfair Super Markets at the recent County Fair at Del Mar, together with the youngsters who raised them. Not all of the youngsters could be present for the photo since many were at the moment of the photo-taking in the ring for judging.

In the foreground is the Grand Champion Steer, raised by Walter Bates, Escondido FFA who is standing directly behind the animal. Al Benesch, meat buyer for Mayfair Markets is holding the halter of the animal.

Also shown together with the club association are: Bill Lutterman, Grossmont FFA; James Cain, Poway 4H; Phil Ewing, Grossmont 4H; Brenda Fickles, El Cajon Valley 4H; Susan Hornaday, Bonita 4H; Lillian Neldipper, Campo 4H; Opal Longmore, Bostonia 4H; John Fontes, Lincoln Acres 4H; Mary Scarberry, Ramona Ag. 4H; Stephen Mercer, Grossmont 4H; Linda Parslaw, Campo 4H; Jim Pfeffer, Escondido FFA; Bert Hubbard, Escondido FFA; Mike Iverson, Julian FFA; Judie Frame, Poway 4H; Marvina Scarberry, Ramona Ag. 4H; Cathy Hemann, Escondido 4H; John Leech, Grossmont FFA; Ronald Werkman, Campo FFA and Richard White, Escondido FFA.

Joseph Schlette is a Mayfair butcher and a master craftsman. Joe has spent a great many years of his life cutting meat.

"There are only two grades of U. S. Inspected beef at Mayfair," Joe said. "We sell U. S. Choice grade under our Blue Ribbon 'Choice' label. U. S. Commercial Grades are labeled Mayfair Red Ribbon 'Budget.' We never mix 'choice' and 'good' grades and offer them at one price."

Joe says, "I honestly think that meat purchasers get a better break for their food dollar at Mayfair meat counters than anywhere else I know."

Steaks are important in the life of a husky man, is the belief of Preston Huey, 309 Twin Oaks Dr., Chula Vista.

"I'm a T-bone steak man, and to me, steak is no good unless it's the top, choice grade. I've been getting my steaks at this market since it opened and the quality has always been tops. Equally important, they reduced the price 4c a pound when Mayfair took the market."

Huey has one son, also named Preston, who is a steak fancier too. "With the price of steak coming down at Mayfair, that means more steak for us steak eaters," Huey said.

### Civil Defense

By CHARLES GURLEY

This is probably as much of a vacation as Civil Defense will ever get at least until a lasting peace is attained, for Zone Warden Dr. Frank B. Gigliotti has announced there will be no monthly meeting for the month of August.

"We will skip any meeting for August" said Dr. Gigliotti, and he added hopefully, "You just relax and return to our next meeting September 7 full of energy and ready to undertake another year's activity."

"There will be no vacation for your officials. They will remain on the job trying to figure out the details of traffic snarls in any possible dispersal or anything else that might require attention in any possible disaster which might happen in this area."

### Months' Vacation For the Glasers

Mrs. Edith Glaser, wife of Lew Glaser of the Lemon Grove Radiator Repair Company, left for a possible month's vacation. Her son Chuck and her grandson Jimmy Scheide went with her. The trip will take her to see two new grandsons she has never seen. In Las Cruces, New Mexico, she will visit her daughter, Mrs. Floyd (Jeanne) Kendrick, who recently increased her family to three children with the birth of a son, Stanley Louis, last month. Mrs. Glaser will then go on to visit her father, C. T. Barnhart, in Ottawa, Kansas.

St. Louis, Missouri, and another grandson, Ricky, whom she has never seen, will be the next stop for Mrs. Glaser. Ricky is the son of Mr. and Mrs. William Landwehr.

Mrs. Glaser will have a lovely new home to return to. The Glasers and their daughter, Mrs. Jewel Scheide, recently had built a new house at 2835 Washington.

This prize animal, and others bid in by the firm, will be processed and retailed as steaks and roasts at the Lemon Grove and other Mayfair Markets.

Lending color to the scene are Don Diego and attractive Miss San Diego, both of whom reigned at the Fair.

SURELAY

(Formerly LARRO Egg Mash)

You may think you're saving money by buying a cheap feed. But you're probably really losing potential profits. A better feed that produces just one extra egg per bird every month is worth \$1.12 more per bag.  
A Leghorn hen eats about 40 lbs. of Larro Surelay a year, so 50 hens will eat about a ton. An extra egg each month from 50 hens is 600 eggs or 30 dozen eggs each year. Fifty dozen eggs at 45 cents a dozen is \$22.50 EXTRA PROFIT for each ton of Larro Surelay fed.

Just one EXTRA EGG from each bird every month makes LARRO Surelay worth \$22.50 more per ton of \$1.12 more per bag. And you'll probably find that your hens will produce an extra 2, 3 or even more eggs each month when you feed them LARRO Surelay.

### Ted Stadther Named Dancin'est Dude

The friendly Dancin' Dudes of Lemon Grove had their regular monthly square dance party night on Friday. With Pete Mighetto giving out his famous, easy-to-follow calling and the Heartland Hoedowners beatin' out a knee twitchin', toe tappin' rhythm the St. John of the Cross Hall was a-roarin' from the hoppin' and hollerin' of the club members and guests. Guest caller Carl Sunbury added to the enjoyment of the evening with his rendition of "Poor Little Robin." Ladies' door prize, a leather square dance ditty bag, was claimed by Mrs. Doyle Leming. "Gents" prize, a "super" square tie, fell to Chester Rhodahamel.

The Dancin' Dudes twirl every Friday of the month at eight—post meridian—exceptin' in hand, in the first Friday of the month when the first square is formed at nine. Each third Friday is party night—what a Friday—what a night. Cool summer dancing is outside under the stars. Guests, dancin' or watchin', are always welcome and a good time and refreshments are guaranteed. Beginners classes in square dancing are started at regular intervals for those who would like to join the fun.

Installation of officers for the Dancin' Dudes will be on Friday, and the new slate is as follows: president, Ted Stadther; vice-president, Chester Rhodahamel; treasurer, Florence Blank and secretary, Grace Hughes. The "Dudes" will continue to enjoy nothing but the best in the way of leadership and fellowship. Selected to support and aid the new Dancin' Dude officers are the following standing committees: publicity, Van Ingraham; social, Theresa Haradon; membership and hospitality, Mickey Osterberg; decorations, Doyle Leming; house committee, Maurice Koenig; Edwin Torkelson was chosen as the Dancin' Dudes representative in the Heartland Association.

### Tacky-wacky Carnival Set for L. M.

The Tacky Wacky Carnival is being revived in La Mesa and will be run off Friday, Saturday and Sunday, August 13, 14 and 15. For the uninitiated Tacky Wacky is an invention of ex-Mayor Ben Polak of La Mesa in the early '40s when the carnival first started. Trick of the whole affair is to see who can wear the tackiest clothes. The event used to attract county wide attention when it was first introduced. The last such event was held

Max is a staunch upholder, and rightly so, of the freedom of the press. It is too bad that General Motors does not advertise in the Review—then the windmill would topple. Ed. Note to Brother Dixon:

The Review has taken on the Public utilities on more than one occasion. We even cancelled an advertising schedule which was currently running in the Review to point up our argument concerning the shoddy treatment given this area by the firm which was advertising its godliness.

Mesa, then the name La Mesa Airport would be appropriate. The villany of newspaper editors trying to traffic in the healthy expansion of our community can best be summarized in a story, the truth of which I have not yet checked. It has to do with Simon Casady, editor and publisher of the El Cajon Valley News, who, in a fit of frustration recently, is purported to have requested Palmer Svalstad, the lone Lemon Grove board member of the Grossmont High School District to consider his suggestion for naming the LEMON GROVE High School which will some day be built in SPRING VALLEY. Si wants it named "EL CAJON HIGH."

### Station KFMB

### Increases Watts

Radio Station KFMB this week will move from 550 on your radio dial and increase its power to 5,000 watts starting Thursday, July 22.

Marking the first time in San Diego broadcasting history that a radio station has moved its facilities to better serve the people of the county, the dial change was necessary to gain the extra power which makes KFMB the most powerful station in the county.

Radio Station KFMB officials point out that now such great Columbia Broadcasting System shows and stars as Jack Benny, Mr. Miss Brooks, Arthur Godfrey, Art Linkletter's "House Party," Edward R. Murrow, Lowell Thomas, Bing Crosby show and many, many others will be heard over KFMB 540 on your radio dial.

Favorite local shows and stars such as Harold Keen, Molly Torse, and Ray Wilson and the Jews will now be heard throughout San Diego County at their usual times.

## New Equipment for an Old L. G. Firm

Molds for recapping English, French, German and Italian made tires have been added to the enlarged recapping section of Skinner Tire Co., 7319 Broadway. The firm installed the famous Lodi molds recently following the acquisition of dealerships for new tires for all foreign makes of cars.

In addition, the tire outlet has been named local dealer for B. F. Goodrich new tires. At the same time two new credit plans were put into operation. Thirty days' credit for those who desire it and budget accounts for larger amounts. It is the first time in the two and a half years of the firm's Lemon Grove history that choice of credit plans could be had.

Looking over the new equipment are H. I. Skinner, firm's owner; Norman Flannery, B. F. Goodrich representative, and Cecil Valade, credit sales manager for the Skinner firm.

The event this year will contain events in water skiing, air-sea rescue demonstration, diving exhibition, the Pacific Coast Padboard Championship race, and the Rough Water Swim itself over a mile long route. The committee has mailed out over one thousand application blanks and expect this year's turnout to be the largest in the history of the annual event. ## WITH A HOME FREEZER

"You make fewer shopping trips — shopping is so much easier — and it takes far less time."

The folks who own a home freezer will tell you that the convenience it brings to shopping is one of the great reasons for freezer ownership.

But there are other advantages a home freezer gives you that are just as important.

Greater variety in your diet. You can serve out-of-season foods anytime — and daily — new and wonderful, quickly and easily prepared complete frozen dishes of all kinds are appearing in your grocer's freezer chests.

Entertaining is so much easier. For every occasion always plenty of delicious foods conveniently located at your finger tips in your home freezer.

The pride of preserving your own. The fish you catch, the game you bag, the crops you grow — preserve them perfectly for fun and good eating in your home freezer.

Do this... stop at your dealer's... and look over his modern home freezers. Let him tell you the many conveniences a home freezer will bring to your life. Let him show you how a home freezer and good management can bring you better eating at a saving. Ask him how you can buy a freezer on easy terms.
